

*"Thank you for your constant communication and advice, it has been invaluable. The difference that you have made is phenomenal."*

*"Your support has been just what we needed, you have been adaptable and have really supported us in implementing your recommendations. You have been so supportive and your understanding of the children's need has helped us to make progress."*

*"Your support has been just what we needed, you have been adaptable and have really supported us in implementing your recommendations. You have been so supportive and your understanding of the children's need has helped us to make progress"*

*"The visits are very positive and each week you come with new ideas. Your visits are very positive and your recommendations have been easy to implement."*

*"Your service has benefited us with you vast range of strategies and the ways that you approach the children. You have helped me to understand where behaviour come from and how we can best support with challenging behaviour."*

*"Your service has benefited us with you vast range of strategies and the ways that you approach the children. You have helped me to understand where behaviour come from and how we can best support with challenging behaviour."*

*"Child A is now a lot calmer and he can now manage his behaviour himself. Your support has been amazing, you are flexible, contactable and will accommodate any emergency"*

*"You are simply marvellous."*

*GHIST support has helped us to enhance our daily practice - thank you.*

*"Since your support, the challenging behaviour has reduced in frequency, you have helped us to build more positive relationships and have supported us so much with Emotional Literacy, Anger Management and Positive Behaviour Strategies"*

*"The visits have supported child A in understanding her emotions and behaviour actions. It has been really useful having constant support from GHIST meaning that we could be constantly reviewing and adapting our strategies."*
