

GOLDEN HILL CHILDCARE PROVISION HOME SCHOOL AGREEMENT

Home School Childcare Agreement Contract

I agree to my child accessing Golden Hill Childcare provision. I understand that in order to protect the other vulnerable pupils at Golden Hill and the staff providing Childcare I must ensure my child remains within my home and does not socialize with other adults and children.

- I understand that if my child does go outside and mixes with other people including playing in someone else's home, having sleep overs, going to the park and playing with other children, my child's place at Golden Hill's Childcare provision will be **withdrawn with immediate effect**.
- I will ensure my child is ready for transport each day.
- I will only travel with my child to school in a minibus. It is NOT acceptable for myself or my child to travel in a car- this does not allow for social distancing of 2 meters. If a taxi car arrives at my home, I will REFUSE to get into the taxi. I will contact school directly and I know Golden Hill will make alternative arrangements for me.
