

Welcome to our Values School
Autumn Term 1

This half term we are looking at the Values of **Respect** (linked with Caring)

Respect

We will be thinking about:

- How to be respectful to others
- How to respect differences
- How to be respectful to things and the environment
- How to be respectful and look after ourselves
- Showing respect by caring

If you notice your child being respectful and caring at home, please let us know through the home school diary.
