

Welcome to our Values School Summer Term 2

This half term we are looking at the Values of **Trust** (linked with Honesty)

Trust

We will be thinking about:

- How to be trustworthy
- Who we can trust eg police, doctors, nurses
- How to trust others
- To know that trust can be broken and how to cope if this happens
- To know who to go to and trust if you want to talk
- To learn how to trust a friend

If you notice your child being trustworthy and honest at home, please let us know through the home school diary.
