Improvise and develop rhythmic and melodic material when performing. Explore, choose, combine and organise musical ideas within musical structures. Perform rhythmic patterns and ostinati (<i>repeated melody lines</i>). Create rhythmic patterns including silences and notate. Identify the differences between fast and slow tempos. Understand the process by which a round (<i>one melody, sung/played by groups starting at different times e.g. 'London's Burning'</i>) works.
Word	Definition															
bars	The way in which written music is divided up (a bit like musical sentences).															
beat	The steady timing in a piece of music (what you might clap along to). Also see pulse.															
chord	Three or more notes (pitches) played together at the same time.															
duet	A piece of music or song that is performed by two people.															
dynamics	The loudness or softness at which musicians play a section or piece of music.															
harmony	Two or more notes (pitches) played or sung together.															

improvisation	When a piece, or a part of a piece, of music is made up on the spot by one or more musicians.
melody	A sequence of notes (a tune).
pitch	Pitch is how high or low a sound is. pulse The steady beat in a piece of music (what you might clap along to) can be referred to as the pulse.
rhythm	A pattern of long and short notes (like the pattern of words in a song).
round	A song which can be sung by 2+ where one group starts off and the next group start the same song a bit later
tempo	The speed at which a piece or section of music is played.
